

TESTIMONIAL – BLYGOLD AUSTRALIA

FRR Service was requested by hotel owners to assist with the provision of corrosion protection of air cooled condenser equipment to extend life cycle without diminishing performance our search led ultimately to Blygold treatment as the best solution to meet our clients criteria, the completed product exceeded expectation and the improvement in performance was brilliant.

Blygold were impressively professional from the initial call to the completed application focusing with genuine commitment to customer focus, flexing to all our clients operational needs.

Warm Regards

Robert Minazzo  
Operations Manager - Air Conditioning  
Frigrite Refrigeration Pty Ltd
